Educational Programming Rules and Regulations

The Arts & Science Center provides unique learning experiences. Occasionally, ASC will cancel a class or camp, and a full refund will be given to you. If you need to cancel, please do so within five days of the camp for a full refund.

Eligibility: All are welcome to attend camps, and financial aid scholarships are available. Age parameters have been established according to curriculum content and expected behavior for a given age. ASC camps are designed for creativity and problem solving which might be a new process for the student. Parent or guardian will be called immediately if behavior issues arise. No refund will be given.

Fees: Unless otherwise noted, program fees are found on the registration form. An individual is not considered "enrolled" in a program until payment is received.

Lunches and snacks: The Arts and Science Center does not provide lunch for campers. There will be snack breaks and a lunch break for full day camps (9 a.m. – 4 p.m.). ASC has a fridge for campers to store their lunches in. If a full-day camper is dropped off without lunch, we will contact their parent or guardian to come deliver a lunch. ASC provides light snacks for snack breaks, please inform ASC of any food sensitivities so we can try to accommodate all campers' needs.

Drop-off and pick-up: An adult must accompany the camper for drop-off on the first day of camp; after the first day, the camper may come in alone. Any camper without parent or guardian permission to self-checkout must be picked up by an adult that registered the camper or is listed as an emergency contact. Adults will need to present ID or use a "kid code," a private password that you choose at registration to facilitate a quick and easy pick up process. Adults not listed on the camper's registration may only pick up the camper if they can provide the child's kid code. Campers 13 years of age and older may self-checkout with written permission from their parent or guardian. Once a camper has checked him- or herself out, they may not remain on the ASC premises without adult supervision.

Extended Care: Camp ends promptly at the designated end time, children must be picked up within 15 minutes. If you are unable to pick up within 15 minutes, we offer Extended Care. Extended Care lasts until 1 hour past the camp's designated end time. Extended Care is \$5/day preregistered, or \$8/day unplanned. Adults will be charged \$8 for each day they are later than 15 minutes past the camp's designated end time and have not signed up for Extended Care. To register for Extended Care, select the number of days that you would like to sign up for and use the note field to specify which days (e.g., Monday – Friday; Monday Tuesday and Wednesday; etc.). ASC closes at 5 p.m., all campers must be picked up before this time.
